We strive for perfection in every product we create, although sometimes there may be a slight fluctuation in the beeswax's color and scent. 我们力求每一件产品的完美, 尽管有时蜂蜡的颜色和气味可能会有轻微的波动。 This can be determined by the types of pollen a bee harvests and brings back to Its hive; 这可以由蜜蜂采集并带回蜂巢的花粉种类来决定; as well as things like the age of the wax and climate in which it is made. 还有蜡的年代和制造它的气候。 You can expect your candle to range from a bright and vibrant yellow color to a beautiful golden color. 你可以期待你的蜡烛从明亮明亮的黄色到美丽的金色。 All of our Beeswax is Natural and or Organic. 我们所有的蜂蜡都是天然或有机的。 Since these candles are handmade and almost always made to order there might be a very slight variation in the product. 由于这些蜡烛都是手工制作的, 而且几乎都是定制的, 所以产品可能会有很小的变化。
